### STORE MODULE:

In Store Module We have 2 tabs

- Add Store
- View and Edit Store

1. Add Store is used to add the new Stores, after filling all the details click on save, it saves permanently.

The screenshot shows the 'Stores' module interface. At the top left is the A-ONE POS logo. The title 'Stores' is centered at the top. On the right, it displays 'StationNo: 01 EmployeeId:sree 5:44:21 pm'. Below the title is a navigation bar with two tabs: 'Add Store' (selected) and 'View and Edit Store'. The main content area is a form with the following fields:

Store Name*	<input type="text"/>
Store Id*	<input type="text"/>
Store Email	<input type="text"/>
Store Contact Number	<input type="text"/>
Street	<input type="text"/>
City	<input type="text"/>
ZIP/Postal Code	<input type="text"/>
Country	<input type="text"/>

At the bottom right of the form area are two icons: a question mark and a power button. At the very bottom is a mobile navigation bar with icons for home, back, and forward.

2. View and Edit Store is to View the existing Stores and also edit the store fields after that click on save button, it will saves permanently.
