Customer Module:

In Customer we have 2 tabs, they are

- Add Customer
- View and Edit Customers

1. Add Customer is used to add the new Customers. The tabs in the Add Customer are as follows.

- General Info
- Extended Info
- Shipping Info
- History
- Notes
- Stores

The screenshot shows the A-ONE POS Customer management interface. At the top, the logo and "A-ONE POS" are on the left, "Customer" is in the center, and "StationNo: 01 Employee Id:sree 5:44:30 pm" is on the right. Below this is a navigation bar with "Add Customer" and "View and Edit Customer" tabs. The main area contains input fields for "Customer Number", "First Name", "Last Name", and "Email Address". Below these are tabs for "General Info", "Extended Info", "Shipping Info", "History", "Notes", and "Stores". At the bottom of the form are "Save" and "Cancel" buttons. The interface is displayed on a mobile device, with a status bar at the bottom showing icons for home, back, and search, along with a power button icon.

- General info has the information about the customer like Company name, Phone Number, address, Phone Numbers etc.....

The screenshot shows the 'Customer' screen in the A-ONE POS application. At the top, the application logo and name 'A-ONE POS' are on the left, and 'Customer' is in the center. On the right, it displays 'StationNo: 01 EmployeeId: 01 7:17:57 pm'. The main content area is a blue form titled 'General Info Details'. It contains two columns of input fields: 'Company Name', 'Street Address', 'Street Address2', 'City', and 'Country' on the left; and 'Primary Phone #', 'Alternate Phone #', 'Birthday', 'State', and 'Zip Code' on the right. Below the fields are two green buttons: 'Save' and 'Cancel'. At the bottom of the screen, there is a navigation bar with icons for home, back, and forward, along with a help icon (question mark) and a power icon.

- Extended Info has the information about the Customer like Credit card Info and Personal Info...
 - Shipping Info has the information about the Customer
 - History contains the Information about Sales
 - Stores tab contains the existing store IDs and select the Store whatever we required.
2. View and Edit tab is to view the existing Customer details and also edit the details of Customers, after that click on save Button.
